## Specified Model

MODEL	DESCRIPTION
EM1230P	Plain edge mirror cabinet

## Required Accessories

MODEL	DESCRIPTION
SK304M	Mirror side kit
GK	Ganging kit

## Technical Information

Roughing-in opening	11-1/4" W x 29-1/4" H x 4" D
Door opening angle	110 degree

## Installation Notes

Install this product according to the installation guide.

When determining the height of the mirrored cabinet, ensure the mirrored door will clear all obstacles, such as the faucet. A minimum distance of 1" is required.

Secure the screws (provided) to a stud to avoid possible property and product damage. If this is not possible, anchors (provided) must be inserted before installing screws.

Modular components can be joined horizontally. When ganging cabinets: rough opening width must equal total width of all cabinets minus 3/4".

Recessed cabinets project 7/8" from wall.
